Music for Dreams/Creative Vibes

From the dark musical underbelly of Copenhagen, Boom Clap Bachelors have a unique brand of broken beats laced with disco and futuristic hip-hop. You may not be able to understand a word they're saying unless you speak

Where You Go I Go Too – Lindstrom

Lindstrom's debut solo album has only three tracks that range anywhere from ten minutes to a whopping 30 minutes long! His sound is unique and it's been touted as 'space disco' – epic in scale but simple in nature, it has complex soundscapes but a

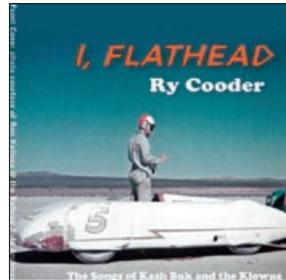

minimalist approach to its compilation that we find very interesting to listen to.
